

MAROOCHY WETLANDS SANCTUARY SUPPORT GROUP INC

EXTENDED OUTING – OCTOBER, 2016

The site for our extended outing is not too far from home, but we have never based ourselves at Bribie Island before. It is a long time since we have visited there, so it will give us the opportunity to visit some old favourite sites as well as some new ones. Besides Bribie itself, there are several sites on the mainland nearby which we have not visited as a group. The dates remain the same – the nights of 4th, 5th, 6th and 7th October, departing for home on the morning of 8th October.

The Bribie Island Caravan Park is located at the end of Jacana Avenue, Woorim, and is expecting our bookings. When you book, please let the proprietors know that you are with Robyn Howard and the Maroochy Wetlands Bird Group. At this time there are plenty of caravan sites and three different styles of cabin, but it may be a popular time to visit Bribie, so early booking would be wise. Please note when calculating prices that our time-frame is rated “mid-season”. Contacts for Bribie Island Caravan park are

Web site: www.bribieislandcaravanpark.com.au
Email: info@bribieislandcaravanpark.com.au
Freecall: 1800 649 831
Phone: 07 3408 1134

Please ensure Robyn and Judith know when you have booked as further information will be distributed prior to the trip. Spotting Telescopes will be of great assistance at several sites. Bring and use your Street Directory and/or satnav as directions to our sites will be given with addresses and map references as in the Brisbane and Sunshine Coast Refidex.
