**18<sup>th</sup> February 2018 at 0730 Buderim Steam Train Tramway Walk.**

Telco Road, off Mons Road, Buderim.

This walk will be along a restored section of the original train track that went from Palmwoods to Buderim. The gradient is quite gentle and the pathway mostly free of hazards. The area is open forest. We will walk approximately two kilometres then return to the carpark. The walking track is a project of the Buderim Tramway group with support from the Sunshine Coast Council.

Telco Road is off the Mons Road which runs between Buderim and Forest Glen. There is a carpark on your left immediately after turning into Telco Road. We will meet here at 730am.

Bring morning tea and lunch if you wish to stay until lunch time. Sunscreen, a hat and suitable clothing, sturdy footwear, insect repellent and sufficient drinking water. Binoculars and a chair. There are no toilets here.

Coordinated by Judith.
